#### Resolutions taken in the IQAC Committee Meeting held on 8/9/2018

1. In view of the CBCS System implemented from 7/7/2018, the progress is to be monitored as students take time to adjust to the new system. Since it is observed that students are having problems identifying their subject combination on the charts, teachers to keep on posting the charts in the groups and explaining them to the students repeatedly. The Cultural Committee to also prepare for a Freshers' Welcome for the newcomers.
2. Teachers to take maximum opportunity to encourage students as the class tests and feedback in the classrooms regarding the texts and contexts are showing good interest among students for the new syllabus content.
3. Regarding introduction of skill-oriented courses, it was resolved to discuss the matter further. As experience of the past has shown that it is very difficult to get takers for extra courses. Two courses--Communicative English and Travel and Tourism Management, had to be made mandatory for BBA as there were no takers in the mainstream Humanities, Commerce and Science Sections.
4. In Phase-I, RUSA has released Rs. 1 crore out of the sanctioned Rs. 2 crores on 21/8/2018 to the Kalimpong College Account of the Indian Overseas Bank, Kalimpong Branch. Work has to start as quickly as possible for the project to benefit the college in multiple areas. IQAC to offer suggestions to the College on spending money on various aspects of the college to augment the resources of the college for academic excellence and development.

**Action taken to implement the resolution of the IQAC Committee meeting of 1/6/2018:**

1. Academic Committee, Admission Committee, and the routine sub-committee planned the implementation of the CBCS system and the curriculum. Subject Baskets were defined to work under the constraints of the ground realities of Kalimpong College. The committee also planned presentations for the newcomers to explain the CBCS system and the subject charts.
2. Teachers were encouraged to be prepared for the change in system, and to give emphasis on classroom teaching to be a good balance of subjects and student-centric approaches. Teachers were reminded to put organized mentoring of students into practice.
3. The Sports Committee decided to go ahead with the selection trials of Football, Volleyball, Table-tennis and Athletics.

IQAC to offer suggestions to the College on spending money on various aspects of the college to augment the resources of the college for academic excellence and development.

**Action taken in consonance with the resolutions taken by the IQAC Meeting held on 8/9/2018:**

1. Teachers have been monitoring students' adjustment to the new system and helping them extensively. Subject combination charts for Honours and Programme students are being circulated in the WhatsApp groups repeatedly and also explained in the classrooms. Interest in the subjects is noticeable among the students. Departments of English and Commerce have taken initiative to order books in sets especially for Honours students as the texts are new and not easily available in the market. Some texts were also ordered for Programme students. In other departments too, teachers are assisting students with procuring texts and reading materials.
2. The PWD expressed their inability to carry out the RUSA project of the College and gave an NOC to allow any other agency to work on it. The College decided to approach the Kalimpong Engineering Department, GTA, Govt. of West Bengal to execute the work. The Principal formed the Project Monitoring Unit (PMU) to oversee the execution of the work. The PMU consists of 10 members:
  - a. Dr. R. P. Dhakal (Chairperson)
  - b. Dr. Alok Kumar Ghorai (RUSA 2.0 Coordinator)
  - c. Dr. Dulal Chandra Roy (Member)
