(a) CAS — The Principal explained that the promotion of senior teachers to Associate Professor level (Level 4) has been delayed due to the Covid-19 Pandemic and its resultant disruption in normal work. He assured that he would have a talk with the current JDPI and the University, and try to organise the meeting in the North Bengal University itself. Since some more teachers whose promotions are also due since 2019, have been added to the list of incumbents, it would be advisable for teachers to go in a group to the University.

(b) The IOAC then resolved to check all the relevant documents of the teachers to see that everything is in order. Teachers preparing to appear for the CAS inspection were requested to have their papers ready as quickly as possible.

(c) There was a discussion on holding the NAAC inspection within 2022, if possible, while the Principal is still in service to guide and prepare for the same.

It was therefore resolved that the IQAC Committee expedite the preparation for NAAC so that the AQARs can be sent to the NAAC office by April 2022.

d) It was also resolved that document verification and reminders for CAS be systematized, and two days be given every year in order to do the same.

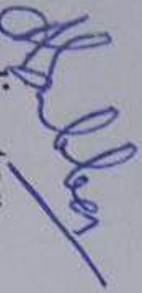

There being no other matter to discuss, the Principal closed the meeting.
