Educational Tour to Senchal Wildlife Sanctuary and Darjeeling Town and its vicinity

The Department of Botany, Kalimpong College arrange an Educational Tour to Senchal Wildlife Sanctuary and Darjeeling Town and its vicinity on 22/05/2023 for the students of 4th Semester Honours and 2nd Semester Honours and Programme (all having Plant Taxonomy as one of their subjects) courses. All together 22 students, 02 Teachers and 01 non-teaching staff were present.

The two sites were selected because, both the places are very well known for their floristic diversity and their aesthetic beauty. During this visit the students were benefitted with the field experience especially for herbarium sample collection and other related techniques.

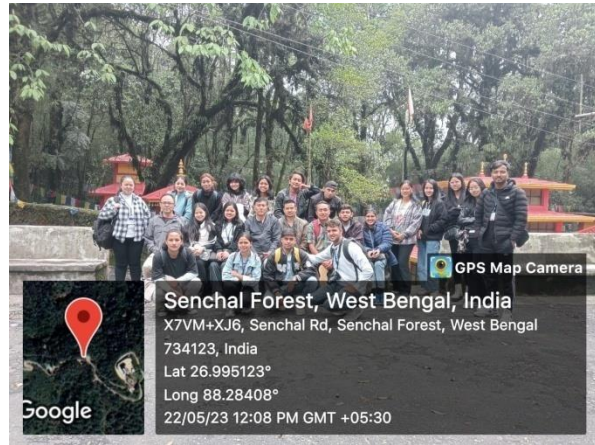

The journey started from Kalimpong Motor stand at around 7:30 am and reached the Senchal Wildlife sanctuary at around 11:30 am. Students were taken first to the Tiger Hill, a sun rise view point where they collected some represented herbarium specimen and they were taken down for about 2.5 km on foot. During their route they were asked to collect the herbarium specimen. In-between photographs were also taken.

At around 1:30 pm we moved towards Darjeeling Town and reached there at around 2:45 pm. The students were taken to Mall Road and there too some representative herbarium specimens were collected.

At around 4:45 pm our return journey started from Club Stand, Darjeeling and reached Kalimpong Motor Stand at around 9:00 pm safely.

The plants the student came across were *Rubus elliptus*, *R. calycinus*, *Potentilla fulgens*, *Fragaria visca*, *Castanopsis hystrix*, *Rhododendron arborium*, *Alnus nepalensis*, *Viburnum erubescence*, *Aurandinaria maling*, *Quercus lemulosa*, *Globba* spp., *Hypericum* spp., *Agapetis serpens*, *Carex* spp., *Poa anua*, *Marchantia* spp., *Riccia* spp., *Funeria* spp., *Dryoptereis* spp., *Lycopodium* spp., *Selaginella* spp., *Equisetum* spp., *Pinus* spp., *Cryptomeria japonica*, *Cuprosis* spp., *Thuja* spp., *Abies* spp., *Acer hookeri*, *Persicaria* spp., *Aconogonum molle*, *Polygonum runcinatum*, *P. chinensis*, *P. auriculatum* etc.,

Report on Industrial Visit to Alkem Health Science-2023

An industrial visit to “Alkem Health Science Pvt Limited” Samardung, South Sikkim was successfully organized by the Department of Botany, Kalimpong College on Monday, 8th of May, 2023. The students of 6th Semester Honours and Program (8 in numbers) along with the faculty members visited the industry.

The journey started from Kalimpong motor stand at 8:15 am and we reached the venue by 10:30 am. After the security check the HR personnel took us to the conference hall and gave a briefing of industry and guidelines to be followed during the visit in the premises. Then after we were escorted to the production unit where the production manager, Mr Nityanand Jha and deputy manager, Mrs Aruna Sharma elucidated the procedure and operations undertaken for the manufacturing of various drugs like antibiotics, gastrointestinal medicines and botanicals and briefly explained the waste management by the industry maintaining zero environmental pollution. Finally we were taken to the conference hall where the HR personnel had question and answer session with our students and we left the industry after meeting the General Manager and other accompanying officials.

The industrial visit to Alkem Health Science provided a great opportunity to the students of Botany 6th semester with a comprehensive understanding through demonstration, interaction, and exchange of information. Such industrial visits are invaluable in bridging the gap between theoretical knowledge and real-world applications. The students expressed their gratitude to Alkem Health Science Pvt Limited for the opportunity and the valuable insights gained during the visit. Overall, it was an enriching experience that will undoubtedly contribute to their academic and professional growth during their future endeavor.
