Darjeeling Government College and Kalimpong College agree to help identify and invite faculty members from other institution to participate in conferences, workshops and short term courses.

Student Exchange

Darjeeling Government College and Kalimpong College agree that student exchange will be guided by principles listed below. A home institution refers to the institution where a student is a full time student and from where he/she is expected to graduate. A host institution refers to an institution that receives a student for a brief period of time to undertake a predetermined program of study or research.

- a) Exchange students will be selected by mutual agreement between the home institution and the host institution.
- b) An exchange student will continue to be treated as full time student at his/her home institution.
- c) An exchange student will be considered as full "exchange": student at the host institution.
- d) His/ her program of study at the host institution will be determined by mutual consultation between his/her academic advisor at the home institution and his/her "interim" academic advisor identified by the host institution.
- e) The host institute will evaluate an exchange student's performance in each course or module, award a letter grade or marks and issue a letter to that effect.
- f) The home institution may award to the exchange student credits earned at a host institution, but only after the home institution has established correspondence between courses taken at the host institution vis-a vis those offered at the home institution.
- g) If an exchange student has undertaken research then the host institution will evaluate the exchange student's performance in the research and issue a letter to that effect, together with a technical "report" of the research carried out.
- h) The exchange students will continue as usual to pay tuition and other fees at their home institution.
