Sub: Work Order for Software Development for Alipurduar Lions Eye Hospital

We are pleased to confirm you that the quotation has been accepted to develop a customized software solution for Alipurduar Lions Eye Hospital.

After completion of the software development, you are requested to provide necessary training for our team to ensure effective utilization of the system. Following the successful training, please proceed with the billing process as per the agreed payment.

We look forward to a successful collaboration.

Best Regards,

Sanjya Ghoshal
